

INTRODUCING OUR 1967-68 REVERSE INDUCTION HOOD

1967-1968 CHEVY C10

PSC-6768

• Only the finest gel coat and fiberglass materials used.

• Proudly designed and made in the USA.

• Proprietary molds and tooling built by master mold maker.

• Fiberglass monocoque construction offers light weight without compromising strength.

Our 1967-68 Chevy C10 hood is a revolutionary design that will surely change the whole look of your truck.

Another custom touch can be the screens shown below. Cut the face of the inverted drop downs, and adhere these in from the backside.
